9. Read the poem and answer the questions.

   **The New Moon**
   
   By Evaleen Stein
Pretty new moon, little new moon
Now, as first I look at you,
I must make a wish, for wise folks
Say it surely will come true!

Little new moon, pretty new moon,
I wish—but I must not tell!
For if anyone should hear it,
Wise folks say it breaks the spell.

1. What is the poem about?
   ........................................................................................................................................

2. Write two adjectives mentioned in the poem.
   ........................................................................................................................................

3. Who is talking to the moon?
