(2×6 = 12)

4) Read the following paragraph and answer the questions.

Frisky was a young pony who had done nothing but eat, grow bigger, and trot around the meadow. But the time came when he was strong enough to be useful to the farmer, and a pony cannot work without two pairs of shoes. So one day Frisky was taken to the blacksmith.

Arriving at the blacksmith's shop, which is called a smithy or forge, the pony saw a blazing fire and red-hot irons. As this was Frisky's first visit to his shoe-maker he was very frightened, but the blacksmith patted the pony's head and spoke such kind words that they were soon great friends.

The blacksmith wore a leather apron, and one by one he lifted Frisky's legs, looked at the hoof, and fitted an iron shoe.

1. What does a pony have to wear before it starts work?
2. Where was Frisky taken to?
3. Give another name for the "blacksmith's shop".
